

NEWS RELEASE

FROM

SANDY TOWN COUNCIL

1 August 2016 for immediate release

DOGZALOUND IN SANDY

Spend a fun packed hour and a half with Bedfordshire's premier dog training and behavioural centre!

There will be two sessions during the summer, the first on Wednesday 24th August 2016 between 7pm-8.30pm at Sunderland Road Recreation Ground and the second on Sunday 4th September 2016 between 10am-12 noon at Fallowfield Park. The sessions will include obedience, searching and fun agility (all exercises will be tailored to the age and ability of the dog).

The sessions are for dogs that are comfortable around people and other dogs. If your dog is uncomfortable around either of these things, please do still contact us and register your interest and we'll get a trainer to call you to arrange a separate session.

All participants must be registered to take part. For booking and more information please contact the Town Council offices on 01767-681491 or admin@sandytowncouncil.gov.uk.
