On Saturday 16th March 2019 Members of Sandy Town Council joined with residents, Central Bedfordshire Ward Councillors and representatives from Grand Union Housing at an engagement event to discuss parking issues and forthcoming improvements around the Winchester Road estate. The event was organised by Central Bedfordshire Council and Grand Union Housing to give residents the opportunity to hear about upcoming improvement works. Central Bedfordshire Ward Councillors for Sandy have worked with Grand Union Housing and the Town Council to bring forward a number of improvements to help address concerns raised about parking in the Winchester Road area. Following the success of Saturday's event, the Mayor of Sandy Town Council, Councillor Michael Scott expressed his thanks to Sandy's Central Bedfordshire Councillors for their part in securing funding to carry out the forthcoming improvement works and their efforts in working with partners to bring a scheme of works forward.
